

OPERATION: ARM

STOP ARMS = LESS HARM!

For many parents and residents our biggest concerns are that of the safety of our children, however the safety of them getting on and off the bus shouldn't have to be one of those concerns. Drivers not stopping for school buses is a major problem in Windham. Community organizations in Windham and Raymond, in conjunction with RSU 14 and the towns are working together to help with this problem.

We are raising money to purchase 15 extended stop arms for RSU 14. Your donation will help and every dollar raised is one more bus closer to our goal!
